The screenshot shows the InCites Analytics interface. At the top, there are navigation tabs for Dashboard, Analytics (selected), and Profiles. Below the navigation, there's a 'New Tile' section with a 'Save Tile' button. The main area features a world map with a heatmap overlay, indicating research activity by region. To the left of the map is a sidebar with various filters and thresholds. Below the map is a data table with columns for Name, Rank, Web of Science Documents, Category Normalized Citation Impact, Times Cited, % Docs Cited, Location, Citation Impact, and Intern Collab. A 'Benchmarks' button is visible in the bottom right of the table area.
