

Journal List

The [master journal list](#)¹, which comprises all active journal titles eligible for inclusion in Essential Science Indicators, has been updated as of May 10, 2018, to cover a 10-year plus 2-month period, January 1, 2008 – February 28, 2018. Data is updated bi-monthly (six times a year). This is the first bi-monthly period of 2018.

This master journal list will be updated regularly. The current extraction date is April 1, 2018.
