

# Journal List

---

The [master journal list](#)<sup>1</sup>, which comprises all active journal titles eligible for inclusion in Essential Science Indicators, has been updated as of January 11, 2018, to cover a 10-year plus 8-month period, January 1, 2007 – October 31, 2017. Data is updated bi-monthly (six times a year). This is the fifth bi-monthly period of 2017.

This master journal list will be updated regularly. The current extraction date is December 1, 2017.
